Telephone 587.702.3302 · info@c2croofing.ca · c2croofing.ca
Commercial flat roofing — Calgary and southern Alberta

Roof Inspection Program Enquiry

Two inspections a year, drains cleared at each visit, and a written Inspection Report that rates every finding by its effect on the roof. Program fees start at $2,500 per year plus GST for roofs up to 10,000 square feet. The fee for your roof depends on its area and construction, the number of roofs, and the initial site inspection.

Complete the form on screen, then use the Submit by Email button at the end. If your PDF viewer does not support the button, save the completed form and email it to forms@c2croofing.ca. The form may also be printed and completed by hand. An asterisk marks a question we require an answer to.
